

Resinol

stops itching instantly

Don't let that itching skin trouble torment you an hour longer! Just spread a little Resinol Ointment over the sick skin and see if the itching does not disappear as if you simply wiped it away.

And—more important—this soothing, healing ointment rarely fails to clear away promptly every trace of the unsightly, tormenting eruption, unless it is due to some serious internal disorder.

Resinol Ointment usually gives even prompt results if the sores, places are first bathed thoroughly with Resinol Soap and hot water.

Resinol Ointment and Resinol Soap contain nothing that could injure or irritate the tenderest skin. They clear away pimples, redness and roughness, stop dandruff. Sold by all druggists.

ALL COLD STORAGE FOODS MUST BE SO LABELLED

Special License Regulations for Warehouses Go Into Effect Nov. 1.

WASHINGTON, Oct. 30.—Special regulations for cold storage houses will be put into force by the Food Administration on Nov. 1, when distribution of the most important foodstuffs goes under license.

Poultry, eggs, butter and fresh or frozen fish stored thirty days or more cannot be sold as fresh and will not be permitted to go on sale unless marked with a placard, "Cold Storage Goods."

All fresh meat, fresh meat products, fresh fish, game, poultry, eggs and butter must be marked with the date on which they are placed in storage and their date of release. No warehouse will be permitted to store any foods tainted or diseased.

To check speculation the Food Administration will limit loans and advances by storage warehouse men to their patrons. All warehouses will be required to file schedules of their rates with the Food Administration.

BENEFIT FOR FAMILIES OF THE ANTILLES VICTIMS

Entertainment of Magic to Be Given in the Hippodrome on Sunday Evening, Nov. 11.

An entertainment for the benefit of the families of the men lost on the torpedoed American transport Antilles will be given in the Hippodrome on Sunday evening, Nov. 11, by the Junior Patriots of America.

At a meeting in the Harriman National Bank Building, Fifth Avenue and 43rd Street, yesterday afternoon, the plan was started. Houdini, the "hand-cuff king," will manage the entertainment, which will be an evening of magic, and Miss Elsie Maxwell will direct the performance. All of the great illusionists have offered to help make the evening one of mystery.

CROWD FLEES SHOTS; 2 HIT.

Assault Declares Victims Tried to Make Him Jealous.

Bullets sent a rush hour crowd scampering for shelter this morning at Grand and Allen Streets, and the casualties were two. Morris Galanti, No. 320 Cherry Street, received wounds in the right arm, and Mrs. Jennie Le Penhi had a superficial wound in the abdomen. Neither is seriously hurt.

Ignacio Blanca, No. 127 East Eighth Street, was arrested and admitted firing the shots. He said the victims had "tried to make me jealous," but that he did not begin shooting until Galanti struck him in the eye. He showed a bruised eye as evidence.

HAS HER GUEST ARRESTED.

Charges Fast Took Nearly \$3,000 From Her Handbag.

Morris East, a clothing cutter, of No. 238 West 106th Street, is locked up at the Fourth Branch Detective Bureau charged with the larceny of \$2,983 from Mildred Elveth of the same address.

Miss Elveth gave a party on Sunday night at which East was a guest. Afterward she missed the money from a handbag. East declared he knew nothing about the money.

Dr. Andrews, Ex-President of Brown University, Dies.

PROVIDENCE, R. I., Oct. 30.—The death at Interlachen, Fla., of Dr. Eliza Benjamin Andrews, formerly President of Brown University, and later Chancellor of the University of Nebraska, was announced in telegrams received here today. He was seventy-three years old.

JEERS OF SCHOOLMATES DRIVE GIRL TO POISON

Fourteen-Year-Old, Backward in Class Work, Drinks Iodine, but Will Recover.

Unable to bear the derisive comments of her smaller schoolmates, Helen McCarthy, fourteen years old, drank iodine early this morning in the hallway of her

home, No. 227 East 73d Street. She was taken to Bellevue Hospital, where it is said she will recover.

The girl, who is the daughter of Mrs. Margaret Adler, is very large for her age, and because of poor health has been backward in her school work. For that reason she is in a class of children much smaller than herself. She wanted to leave school and go to work, but the mother refused.

Yesterday her mother gave her 10 cents for lunch money and sent her to school. Instead the girl stayed away from school and bought the iodine.

Why I am Going to Vote for COMMISSIONER Wallstein

For Justice of the City Court

"BECAUSE I know that the office of City Court Judge is of importance to me as an everyday citizen. Any civil case in which I might be involved will ordinarily be tried in that Court.

"As Commissioner of Accounts, Leonard M. Wallstein has had the actual experience of a Judge. The ability he showed in his investigations stamps him as a man peculiarly fitted for the bench.

"This was especially true of his prompt, efficient, impartial handling of

THE RUTH CRUGER CASE, the Coroner Board investigation, and nearly 600 other cases.

"I shall vote for Wallstein, because he has earned my vote."

HOW! SHALL I VOTE FOR WALLSTEIN

I shall remember that Wallstein's name is FIFTH in GROUP 7 on my ballot, and shall put a cross in front of his name.
